

Ravenhill Kennels

Tell us a little about yourself

Why do you want a Russell?

How and when were you first introduced to the breed?

What other animals do you have?

Do you participate in any competitive discipline or activity with your animals?

Do other members of your family enjoy/interact with the animals that you own?

Is this puppy going to be a part of a kennel or family member?

Do you have the patience and energy to help this dog develop mentally and physically?

Are you able to provide a safe environment for your puppy to run free and play?

Do you have a fenced area or at least a kennel with a 30-foot run to protect your pup as it grows?

If this puppy doesn't turn out like you anticipate would you return the dog?

Will you try, to your best ability, to give this dog a forever home, and if not, return the dog to the breeder (or give the breeder 1st option or refusal)?

Do you understand this dog is NOT for breeding purposes, registered or not? Once your pup matures we expect all our dogs to be spayed and neutered.

Do you have a Veterinarian and can they give you a reference?
Vet's name and address;

Please register your pup with AKC and at the same time transfer the ReUnite microchip into your name.

Have you answered all of these questions honestly or to the best of your ability? If so, sign and date at the bottom of this sheet, with all your contact information and return to ravenhillrussells@gmail.com

Thank you
