Tell us a little about yourself

# Why do you want a German Shepherd?

# How and when were you first introduced to the breed?

# What other animals do you have?

# Do you participate in any competitive discipline or activity with your animals?

# Do other members of your family enjoy/interact with the animals that you own?

# Is this puppy going to be a part of a kennel or family member?

# Do you have the patience and energy to help this dog develop mentally and physically?

# Are you able to provide a safe environment for your puppy to run free and play?

# Do you have a fenced area or at least a kennel with a 30-foot run to protect your pup as it grows?

Invisible fencing is never good. Does not protect your dog from incoming and shock collars should never be put on puppies.

# If this puppy doesn't turn out like you anticipate, knowing puppy stages do not last forever. would you return the dog? Time limit is 6 months old

# Will you try, to your best ability, to give this dog a forever home, and if not, return the dog to the breeder (or give the breeder an option or refusal)?

# Do you understand this dog is NOT for breeding purposes, registered or not? Once your pup matures, we expect all our dogs to be spayed and neutered.

# Do you have a Veterinarian and can they give you a reference? Vet's name and address;

# Please register your pup with AKC and at the same time activate the ReUnite microchip in your name. Naming convention allows you to add the kennel name. e.g.; " Fido vom Ravenhill " "from Ravenhill Kennel"
